IN SUPPORT OF FINAL APPROVAL AND

**Hearing Date: July 28, 2015**

**Time: 8:45 a.m.**

**Place: Dept. 21**

**Reference No. R-1648298**

**Consolidated Complaint Filed: Nov. 12, 2013**

I, Alexander Gurevich, declare as follows:

1. I am one of the Plaintiffs and a Class Representative in the above-captioned action.
2. I initially brought this action because of the unfair and unlawful business practices of my former employer, on behalf of myself and my co-employees. To the best of my knowledge, I was the first employee to take action against my former employer on behalf of my co-employees for the claims that we brought in this lawsuit.
3. Over the course of the four years of litigation, I have communicated by phone and email with my attorneys regarding the litigation and settlement issues. I have answered many of their questions in person, by phone, and by email. I have reviewed drafts of documents filed in this litigation, including the complaint, the settlement agreement, and the revised settlement agreement. I have copied and sent documents requested by our attorneys and/or the defendant. Furthermore, I personally attended both mediation sessions on April 29, 2013 and August 6, 2013. Mr. Dickens and I were the only class representatives present at either mediation. I also met with former colleagues, and responded to numerous calls from class members, regarding issues in the case, questions about the case, and updates on the status of the case.
4. I spent at least 80 hours of time in assisting in the prosecution of this action.
5. I plan to attend the Final Approval Hearing to answer any questions that the Court may have.

I declare under penalty of perjury under the laws of the United States and the laws of the State of California that the foregoing is true and correct.

Executed at \_\_\_\_\_, California on June \_\_, 2015.

  
ALEXANDER GUREVICH
